RE: Application for Transfer No. 77529 (Water Right No. 63-31957)

Dear Parties:

The prehearing conference in the matter referenced above was held on March 30, 2012. During the prehearing conference, Tim Farrell, the applicant's representative, stated that the applicant would provide an amended deed to the Department, conveying the well system and water right from the City of Meridian to the applicant. The amended deed is required by IDWR to continue processing the application.

Also, Mr. and Mrs. Bricker requested a four month delay in this contested matter because Mr. Bricker will be working out the country for next two months and to allow them to decide if they would pursue their protest to the Bittercreek application.

Therefore, the deadline for the applicant to provide the amended deed to IDWR is April 14, 2012. If the deed is not provided, this application may be voided.

The deadline by which the protestants must withdraw their protest is July 30, 2012. If the protest is not withdrawn, this matter will be set for an administrative hearing. The hearing will be set approximately three to six months from the July 30, 2012, deadline.

Sincerely,

Vicky Musio
Prehearing Officer
IDWR, Western Region
