RE: Owner Name Change for Water Rights: #11-7390, #11-4218, #11-7280, and #11-2039

To Whom It May Concern,

Thank you for your effort in helping us address this name change, of which we were not aware had not been completed until checking our files with IDWR records located on your website.

Our water rights address the owner as the Boy Scouts of America – Trapper Trails Council. While this information is correct, we have been asked by our National organization to list all legal documentation in the following manner:

Trapper Trails Council
Boy Scouts of America
1200 East 5400 South
Ogden, UT 84403

Please find enclosed for each water right a check for \$25.00 (\$100.00 total check) and the notice of change in water right ownership application for the four water rights. In addition a copy of the warranty deeds for the property have been enclosed, which applies to all four water rights. Nothing further has changed with these water rights, and we currently use them as described in IDWR records.

Please contact me with any questions.

Sincerely,

Joshua Haacke
Director of Support Services
