CONDITIONS OF APPROVAL

3. Rights 74-1581, 74-1582, 74-1660, 74-1661, 74-1662, 74-1663, 74-1664, 74-1665, 74-2025A, 74-2263, 74-2266, and 74-7250B when combined shall not exceed a total diversion rate of 14.71 cfs, a total annual maximum diversion volume of 1470 af at the field headgate, and the irrigation of 420.1 acres.
4. This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the place of use.
5. Rediversion of water from the Lemhi River is limited to those times water is available for diversion under this right and priority from the points of diversion on the Springs source.
6. The rediversion of water under this right from the Lemhi River is limited to the lesser of the quantity available at the points of diversion or the point of injection.
7. Prior to the diversion and use of water under this approval, the right holder shall install and maintain acceptable measuring devices at the point of injection into Lemhi River and at the points of rediversion from Lemhi River.
8. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District Nos. 74 and 74-Z.
9. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
10. This right does not grant any right-of-way or easement across the land of another.
11. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
12. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
13. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
