RE: Owner Name Change for Water Rights: #13-30 and #13-7031

To Whom It May Concern,

Thank you for your effort in helping us address this name change, of which we were not aware had not been completed until checking our files with IDWR records located on your website.

Our water rights address the owner as the Boy Scouts of America - Cache Valley Council. In 1993, the name of the council was changed and should read:

Trapper Trails Council
Boy Scouts of America
1200 East 5400 South
Ogden, UT 84403

Please find enclosed for each water right: a check for \$25.00 and a notice of change in water right ownership application. In addition, a copy of the warranty deed for the property has been enclosed, which applies to both water rights. Nothing further has changed with this water right, and we currently use these rights as described in IDWR records.

Please contact me with any questions.

Sincerely,

Joshua Haacke
Director of Support Services
