CONDITIONS OF APPROVAL

1. Domestic use is for 1 home and does not include lawn, garden, landscape, or other types of irrigation.
2. The domestic use authorized under this right shall not exceed 13,000 gallons per day.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.
4. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
5. This right does not grant any right-of-way or easement across the land of another.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 2nd day of October, 2012.

for GARY SPACKMAN
Director
