Department of Water Resources
Eastern Region

To whom it may concern;

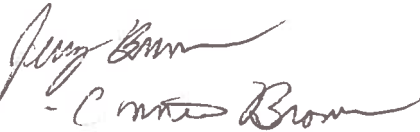

Jerry and Connie Brower request that they be able to use their 188 acres of water rights in the pattern show on the enclosed map. The circle remains as it has been before . The change requested is on the remaining 18 acres that weren't being used in the circle.(It will include approximately 2 acres in the north west corner.)

Thank you

Jerry Brower

Connie Brower
