Dear Renter:

I have enclosed a Water Supply Bank Rental Agreement for your review and signature. Upon signature and return of the original agreement, together with the rental fee described below, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

A rental fee of **\$13,395.20 for 2012** was calculated based on the current rental rate of \$14.00 per acre-foot times a diversion volume of 956.8 acre-feet. Beginning in 2013, the rental fee increases to \$17.00 per acre-foot. A rental fee of \$16,265.60 was calculated for 2013. An annual payment shall be received by the Department prior to the execution of this agreement and prior to March 15 in all subsequent years for the duration of the rental period. The agreement will be void if payment is not received prior to the due date in a given year. If you would like to terminate the agreement prior to the end of the rental period, you must submit written notice of your intent to the Department at least 30 days prior to the rental fee due date.

Please send a check for \$13,395.20 made payable to the Idaho Department of Water Resources, together with the signed rental agreement, to my attention within 14 days so I can complete the processing.

If you have any questions, please contact me at (208) 287-4949.

Sincerely,

A handwritten signature in cursive script that reads "Nicholas Van Dyke".
