CONVERSATION MEMORANDUM

TO: Permit File No. 96-9501

FROM: Darla Block

DATE: September 25, 2012

SUBJECT: Phone Conversation Regarding Returned Mail & Mailing Address

---

On September 12, 2012, the department received an Assignment of Permit to change the ownership of this permit. On September 18, 2012, the department mailed an assignment acknowledgment letter to the address for the new owners provided on the assignment form.

On September 24, 2012, the department received the acknowledgment letter returned by the US Postal Service flagged as "No Mail Receptacle".

On September 25, 2012, I called Stephen and Toni Sommer using the phone number listed on the assignment form for the new owners. Toni Sommer answered the phone, and informed me that the address listed on the form is the address of the property they just purchased.

I was informed that the correct mailing address for her and her husband is:
1110 Paseo Almendra
Templeton CA 93465

Today I changed the address of record for Stephen and Toni Sommer to the address listed above per our telephone conversation.
