Subject: Amended First Page of Consolidated Application for Permit
Attachments: Application_for_Permit.Amended.pdf

Blake:

Attached is an amended first page of the Consolidated Hydropower Application for Permit. Substitute this page for the first page of the amended application that was submitted. As we discussed, this amends a typo, and correctly lists the points of injection for each source of water.

Thanks for your time on this, and let me know if you have any other questions or concerns.

Thanks,

Robert L. Harris
