Dear Mr. Pehrson;

It was a pleasure speaking with you on the telephone this morning. As we discussed, I am sending you a copy of the warranty deed that you submitted.

The warranty deed that was submitted has incorrect water right numbers listed. The correct numbers are as follows:

1. 34-644F
2. 34-780I
3. 34-2323E

Since there are other property owners within the existing place of use of these water rights, the warranty deed *must be* corrected in order to convey the rights to you in their entirety.

If you have any questions, please let me know.

Thank you,

Kerrie Mathews
Water Resource Agent
