Supplemental page attached to Protest of Application No. 36-16948 in the name of Old Curren Ranch LLC.

6. Basis for protest:

The applicant's proposed point of diversion immediately below the fish ponds attempts to divert water before it can be delivered to Big Springs Water Users Association shareholders. The applicant's proposed point of diversion also interferes with delivery of wastewater to an existing water right (36-16868). The applicant does not have an easement or right to cross my property.

7. Protest Resolution:

The applicant should change their point of diversion to somewhere along the Curren Ditch, at a point below where wastewater leaving the Big Springs Water Users Association's system enters the Curren Ditch.

NOTE:

A protestant is required to timely file a protest with the department together with a \$25.00 protest fee for each application being protested in order for the protestant to be considered a full party by the department. In addition, the department's Rule of Procedure, IDAPA 37.01.01203, requires a protestant to send a copy of a protest to the applicant.

INSTRUCTIONS

1. The matter being protested must be clearly identified. A typical matter is identified by the application number such as "Application for Permit No. _____ in the name of _____" or "Application for Transfer No. _____ in the name of _____."
 2. Show the name of the protestant. Only one (1) protestant may be shown per protest form. If this protest form is signed by more than one person, the hearing officer will consider the first signer as the official protestant and the representative for service of documents.
 3. If the protestant is represented by an attorney or other authorized representative, show the representative's name. The department then will serve documents on the representative and upon the protestant if specifically requested.
 4. Show the address where the department is to serve the documents. This should be the address of the authorized representative unless the protestant does not designate a representative.
 5. Show the telephone number of the authorized representative unless the protestant does not designate a service representative.
 6. Specifically describe the nature of the protest.
 7. Describe the relief being sought by the protestant.
