WATER RIGHT NO. 29-64B
As Modified by Transfer No. 77957

CONDITIONS OF APPROVAL

1. Rights 29-64B and 29-7225 when combined shall not exceed a total diversion rate of 0.14 cfs at the field headgate, and the irrigation of 7 acres.
2. Water is delivered through Lewis-Goodenough Ditch.
3. The use of water for irrigation under this right may begin as early as April 1 and may continue to as late as October 31, provided other elements of the right are not exceeded. The use of water before April 15 and after September 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and priority date earlier than March 22, 2004.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 29.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
6. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
7. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
8. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
