Comments:

1. kbrown 4/4/2006 Reduction of claimed acres

Comment: Forty acres of irrigation were claimed. However, the field examiner reported that, instead, 22.0 acres are irrigated. In the field examiners Delivery System Narrative, there are two pipes: one that goes over the canal to Doug Gross property and one that goes to the east (to Orville Brokaws property) - which specifically services a pasture and the center pivot. Unfortunately, the field examiner did not provide a place of use boundary map with the Field Report; so based on his narrative and the comments associated with the photographs, I created 3 separate POU boundaries that total 22.0 acres.

2. kbrown 4/4/2006 Parcel Numbers

Comment: PARCEL NOS: R2212900000 & a portion of R3708700000.
