Good Morning again Keith;

I just finished up the applications for transfer, during the final review I found an error on each application.

1. Transf # 78143, Water right Number 34-14327, Western to Lenroot page 2, the place of use lists the SWNE quarter, yet your maps show the SWNW.. Need an amended app.

2. Transf # 78145, Water right Number 34-14373, Western to Adema/Ippolito page 1, the point of diversion is listed in R25E, should this be 26E? Need an amended app.

3. Transf # 78146, Water right Number 34-14374, Western to Adema page 1, the point of diversion is listed in R25E, should this be 26E? Need an amended app.

4. Transf # 78147, Water right Number 34-14375, Western to Ippolito page 1, the point of diversion is listed in R25E, should this be 26E? Need an amended app.

When I receive the corrections, I can send them to advertising.

Thanks,
