RE: PERMIT NO. 92-10236

Dear permit Holder(s):

The Department received a telephone call from you on September 14, 2012, regarding a Lapse Notice you received on the above referenced water right permit. It is the understanding of the Department per that telephone conversation that you no longer reside at the address of record with the Department, and that you did not receive a previous letter sent by the Department to you certified on June 29, 2012, titled: "Notice: Statement of Completion Due".

It is my understanding that you have put the water to use for the purpose listed on this permit. Enclosed is a copy of that letter along with instructions and the form used for filing proof of beneficial use, (proof). The Department will be able to update your current mailing address upon receipt of your proof form and \$50.00 license examination fee. This permit can be reinstated if a proof form is received by the Department within 60 days of the date of your Lapse Notice.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions please contact me at (208) 287-4945

Sincerely,

Darla Block
