ORDER OF PARTIAL DECREE

The Director of the Idaho Department of Water Resources previously issued a *Director's Report* for the above-captioned water right claim. No objections were filed to the *Director's Report*, and the time for filing such objections has expired. However, the above-captioned claim was temporarily withheld from *Partial Decree* because it related to certain overlapping and contested claims in Basin 02. The Court finds that those overlapping and contested claims have been resolved. Therefore, there is no reason to continue to withhold the above-captioned unobjected to water right claim from *Partial Decree*. The claim will be partially decreed consistent with the elements set forth in the *Director's Report*.

Therefore, IT IS ORDERED that the above-captioned water rights be **decreed** as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.

Dated Sept. 13, 2012
