**PROOF DEFICIENCY LETTER**

**RE: Permit No. 91-7443**

Dear Permit Holder(s):

Enclosed is a copy of the Proof of Beneficial Use ("proof") form you filed with the department on September 13, 2012. This letter is to inform you that the license examination fee was not paid at the time of filing the proof form. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without an exam fee.

The permit was issued with a maximum diversion rate of .04 cfs, from a creek which is considered **surface water**. Based on your maximum diversion rate of .04 cfs, the license examination fee is \$50.00. Please submit the license examination fee required. Upon receipt of the appropriate exam fee, the department will then be able to process your proof of beneficial use.

I will hold this matter for your response for fifteen (15) days from the date of this letter. I have enclosed the instructions for filing proof and the filing fee schedule.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block  
Technical Records Specialist
