The "Notice of Change in Water Right Ownership" for 22-11780 has been returned for the following item(s):

**** The department cannot complete your ownership change because you do not own the property associated with the water right. It appears a late claim was filed for 22-14030 which will cover the property covered by your deed attached to your change of ownership application.

A refund request has been submitted to the State office for receipt numbers E037025 (Huntsman Springs payee) and E037956 (Harvey Walker payee) and should arrive from the state office in a couple of weeks. Please note the refund will be paid to the payee on the receipt.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact Jonie Barg at (208)525-7161.

Respectfully submitted,
