From: Denise Maline
Date: August 29, 2012
Subj: Phone call received regarding license info

Water Right License was issued on August 23rd for the above referenced water right; in the name of Lavar Bloxham. The address listed on the license was Rt 1 Box 5, Buhl, ID 83316. It was returned by the post office as Not Deliverable As Addressed / Unable to Forward. After researching an address for Lavar Bloxham via the internet; the information was sent again to an address in Twin Falls, on August 28th, 2012.

On August 30th, 2012 I received a phone call from Patty Bloxham. She was very upset at the fact that she continues to receive mail and/or correspondence for Lavar; as she should not be. She told me that she and Lavar have been divorced since 1987; and Lavar has been deceased since 1999.

After looking further into the file, it was noted in the remarks of the field exam that there is a new / current owner of the property. The current owner accompanied IDWR on the field exam in August 2012.

September 12, 2012 -- Ownership change has been solicited from the current owner Rocky Bartlett.
