Re: *Charter Mountain Ranch/Cold Springs Ranch Transfer*

Dear Ron:

Enclosed is John McCallum's application for transfer of his water rights on the Cold Springs ranch. This application reflects the changes discussed at our 3/6/98 meeting and the historical use of water on the ranch. Please note on Attachment A, existing rights 61-02111, 61-02020, adjudication claim A61-11854, and fish propagation have been deleted from the transfer. On Attachment B, the only change not discussed at the meeting is to add an additional point of diversion from Cold Springs Creek in the SE NE NE Sec. 16, T4S, R9E. On Attachment C, the 215 acres associated with the Hot Field have been deleted leaving a total permissible place of use of 1,400 acres. Mr. McCallum would like to go ahead with advertisement of this transfer.

I'm also enclosing with this application the completed assignment papers for transferring permit numbers 61-07732, 61-07725, 61-07288 and 61-07617 to Mr. McCallum and adjudication claim A61-11887, which is the expansion claim. Thanks for your help on this.

Sincerely,

Bruce M. Smith
