Charter Mtn. Ranch 1998 transfer application (no application #)

Attorney Bruce Smith called to discuss my 5/15/2008 letter. He is about 100% certain the 1998 application is replaced by the transfer application 74513 for Casa del Norte.

Charter Mtn. and Casa del Norte are actually John and Teresa McCallum.

Consider this confirmed unless hear otherwise from attorney fairly soon.

1998 application held per instructions from administration regarding SRBA issues pending at that time.

By the time those issues were resolved, circumstances must have changed enough for owners to file application 74513 instead.

Results:

1. Return 1998 application.
2. Issue \$100 refund paid for that application.
3. Process application 74513 (correct fee paid for that).

NO, see 5/9/2011 letter to Bruce Smith
