

## MEMORANDUM

**To:** File(s) 2-7065C and 2-10450  
**From:** Monica Van Bussum  
**Date:** September 8, 2012  
**Re:** Revision of Flying H Farms WSB Rental

---

**PURPOSE/NARRATIVE:** On August 14, 2012, we received a letter from Jeff Harper at Flying H Farms indicating Flying H now owns Right No. 2-7065C. We had been anticipating this correspondence. Flying H had originally rented 2-7065C AND 2-10450 to supply their irrigation needs. However, since Flying H now owns 2-7065C they no longer need to lease or rent it, so they want the rental agreement rewritten to just include 2-10450.

**The previous rental agreement, for the 2012-<sup>2016</sup>~~2015~~ term, is still considered active for 2012 since we are almost completely through the irrigation season. However, this new rental agreement will supersede the previous one for 2013 and subsequent years.**
