CONDITIONS OF APPROVAL

1. Domestic use is for 4 homes.
2. The domestic use authorized under this right shall not exceed 13,000 gallons per day per home.
3. The irrigation occurring under this domestic use shall not exceed 1/2 acre within each platted subdivision lot upon which a home has been constructed. This right does not provide for irrigation of common areas or for irrigation of lots upon which homes have not been constructed.
4. The right holder shall use the full allotment of appurtenant surface water rights in conjunction with groundwater diverted for domestic irrigation purposes under this right and shall only divert groundwater under this right for domestic irrigation purposes when water from the appurtenant surface water rights cannot be delivered to the right holder.
5. This right shall not be used for domestic irrigation purposes if the surface water right(s) appurtenant to the place of use is sold, transferred, leased or used on any other place of use.
6. The issuance of this right does not grant any right-of-way or easement across the land of another.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.
