Paul,

A transfer was approved & closed. There was a petition & the approval was rescinded. We have reopened the transfer application, but still need to set the rights back to the original form before the transfer changes.

I have attached a spreadsheet with all the numbers, but here are the specific changes requested:

WR **29-348B** current Rt ID **636623** changed back to **557159**
WR **29-348G** current Rt ID **637972** changed back to **559942**
WR **29-2268** current Rt ID **641394** changed back to **554070**
WR **29-11799** current Rt ID **641395** changed back to **554074**

Let me know if you need any further information.

Pam
