RE: Water Supply Bank Lease for 35-14260 (formerly Water Right 2351), 35-14262 (formerly Water Right 35-2553B) and 35-14258 (formerly Water Right 35-7372)

Dear Lessor:

This letter is to update you on the status of your water rights, 35-14260 (formerly Water Right 35-2351), 35-14262 (formerly Water Right 35-2553B) and 35-14258 (formerly Water Right 35-7372). These water rights were leased into the Water Supply Bank on March 23, 2009. **Portions of your water rights are considered leased into the bank, and should remain unused, until you release them from the bank.**

If you wish to leave your water rights leased to the bank, and unused, you do not need to do anything. To release your water rights from the bank, go to the Department's website at www.idwr.idaho.gov, go to the Water Right Forms page and, underneath the Water Bank section, download the Request to Release or Lease Term Extension form. Then complete the form and mail it to me, along with the appropriate fees and map(s), at the address above.

Again, portions of your water rights are considered leased to the bank, and should remain unused, until you release them from the bank. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
