Bruce,

As I indicated in the voicemail I left last week, since the license was designated a preliminary order, I have to address your petition within 21 days, which expires tomorrow (Sept. 5, 2012). After tomorrow, you can appeal to the Director under Rule 730.02.b of IDWR's Rules of Procedure.

For me to be able to act on the preliminary order, we would have to meet today or tomorrow. My schedule is open both days. Otherwise, the petition will be denied by operation of law at my level.

Sincerely,

Shelley Keen

Shelley—I am in Pocatello the remainder of the week after an SRBA hearing tomorrow. Although you'll get a n out of office message, I may be able to pick up emails at some point. Except for a short meeting on Wednesday of next week, I am pretty flexible time wise. If you'll send me proposed dates/times, I can get work to John McCallum and see what his schedule is. Thanks Bruce

Subject: Petition for Reconsideration of Water Right License 63-12447

Bruce,

I haven't gotten a response to the message I left on Friday, so I thought I would follow up with an email. In your petition for reconsideration of Water Right License 63-12447, you asked for oral argument or a meeting with the Department. I would be glad to host a meeting sometime before September 1, 2012, to discuss your petition.

Sincerely,

Shelley Keen
