**Re: *Elise G. Lufkin – Applications to Lease Water Rights to the Water Supply Bank
37-496B and 37-497B***

Dear Monica:

Enclosed you will find the original and one copy each of applications to lease portions of Water Rights 37-496B and 37-497B to the Water Supply Bank. I have attached to each application a copy of the place of use map printed from the Department's web site and a map which shows the land that Ms. Lufkin will continue to irrigate. This seemed to us to be the best way to provide you with accurate mapping of the lands within the decreed place of use which will not be irrigated during the term of the lease.

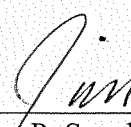

I have also enclosed my firm's check payable to the Department for the \$500 fee to cover both applications. Please call me right away if you have any questions or comments about the applications.

Finally, please receipt-date stamp the copies and return them to our office in the postage-prepaid self-addressed envelope I have included for that purpose. Thank you.

Sincerely yours,
