RE: Notice of Change in Water Right Ownership No(s). 96-9072

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is:

_____ Evidence of Water Right Ownership: copy of document that conveys ownership of the water rights to Schweitzer Basin Water Company. The Quitclaim deed you provided only lists utility lots and not water rights.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
