Re: Water Permit 95-9255

Dear Mr. Scarcello,

Following my conversation with you Friday morning concerning another matter, and your mention of your mother's death, I thought you might want to have the Permit currently held by you and your mother, Permit Number 95-9255 changed to your name only.

The assignment from your father, rather than being listed AND/OR, was to you AND your mother. In order to get the permit to your name only, the Department will accept a signed letter from you requesting your mother's name be taken off the water right.

You can send that, together with a copy of the death certificate, directly to *Jean Hersley* at our State Office in Boise. Our State Office address in Boise is 322 E Front Street, P.O. Box 83720, Boise, ID 83720-0098.

This process does not require a fee,

Sincerely,

Dianne Ball
Administrative Assistant
