State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 22-14057

6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within Water District 01 and Water District 100.
7. Approval of exchanges of water from individual wells for water belonging to others under their private water rights is hereby reserved to the Department. No such exchange can be approved until the applicant submits agreements in conformance with the provisions of Section 42-105, Idaho Code, and no such exchange shall take place until the applicant has received written approval from the Department.
8. Use of water from these wells for supplemental irrigation, when combined with all other direct flow or storage water rights, shall provide no more than 0.02 cfs per acre nor more than 5.0 acre-feet or water per acre per irrigation season.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 30th day of August, 2012.
