RE: Change of Ownership for Water Rights: Recombined 37-4150 (37-22770) and 37-4265 (37-22772)

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership and combining water rights split on August 22, 2012 to parent rights above referenced water rights, per request from Eshman Law on August 28th. The department has modified its records to reflect the change in ownership and has enclosed computer-generated report for your records. A request for refund of \$150 on receipt #S032631 has been requested and should be received shortly.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Danni M. Smith".
