Subject: RE: Change in Ownership
Attachments: Need to be recorded.pdf

Ms. Sommer:

I am disappointed it has taken 2 weeks for you to notify me that you needed these documents recorded. As I indicated in my letter we are seeking expedited processing of this change of ownership. I will be happy to have the attached documents recorded but I first want absolute assurance the recording of these documents is the only action necessary to complete the processing of this change of ownership.

Your prompt reply will be appreciated.

David Shaw
