RE: Scheduling Field Exam for Water Right Permit No. 65-22913

Dear Mr. Weymouth:

We are planning to **conduct water right examinations** in the vicinity of the above-referenced permit **during the weeks of July 23 and July 30, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal conditions during the examination. The permit authorizes diversion of ground water for domestic, diversion to storage, aesthetic storage, and irrigation of up to 2 acres.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by July 27, 2012.** If there is a problem with scheduling or conducting the examination at this time, please call and other arrangements can be made. I appreciate your attention in this matter and I look forward to hearing from you.

Sincerely,
