RE: Assignment of Permit for Water Right No. 63-11801

To Whom It May Concern:

The Department of Water Resources has received an Assignment of Permit to change the ownership of this Permit. This permit is currently in the name of L. A. & Mae B. Adams 1990 Trust. Since this water right is still in the permit stage, it is considered personal property of the permit holder of record with the Department. It must be L.A. & Mae B. Adams 1990 Trust that assigns this permit over to you. We are returning the paperwork that you sent as we require the assignment form be completed by the permit holder.

Once the Department is in receipt of the proper documentation, the Department will be able to process an Assignment of Permit, and apply the \$25 filing fee you already submitted.

We will hold this matter for (30) days from the date of this letter. If the Department does not receive the proper documentation within this time period, the \$25.00 fee you submitted on August 24, 2012, will be refunded to Northwest Farm Credit Services.

If you have any questions, please feel free to contact me at (208) 287-4945

Sincerely,
