Subject: Ownership Change – EMB-Hailey LP to City of Hailey

Dear Allen,

Please find enclosed a *Notice of Change in Water Right Ownership* submitted by the City of Hailey for the portions of four water rights appurtenant to roadways within Northridge Subdivision.

The City acquired the subject rights at the time a plat for each section of the subdivision was recorded and the roads dedicated to the public (the City). A copy of each plat can be found on the enclosed CD. Language concerning dedication of the roads can be found in the "Certificate of Owners" section of each plat.

Geographic information system (GIS) data depicting the place of use is available from SPF upon request. We would be happy to provide the data by email. Check No. 28609 is enclosed for the filing fee.

Please contact me if there are additional questions.

Sincerely,

A handwritten signature in blue ink that reads "Roxanne".
