

MEMORANDUM

DATE: July 13, 2012

RE: Communication with Joyce Ford

During the past week I received and returned a handful of phone calls from Joyce Ford. In most instances, the discussion concerned procedural matters, such as whether the hearing would continue now that the related transfer hearing is cancelled and whether a friend of the Fords could attend the hearing and be consulted by them during the hearing. In one instance I referred Mrs. Ford to my February 24, 2012, order denying the petition to postpone a related hearing for a listing of the criteria IDWR must consider in connection with an application to appropriate water.

Mrs. Ford also wanted to discuss acceptable structures for diverting water. Since this is a substantive matter in this case, I declined to discuss the matter and recommended that she call Nick Miller, the manager of IDWR's Water Distribution Section. I do not know whether Mrs. Ford called Nick Miller.
