RE: Notice of Change of Water Right Ownership for Water Right Nos. 22-239B and 22-576D in the name of the Boyd Charles Smith and Jill Johnson Smith Trust.

Dear Jonie:

Enclosed for processing is a completed *Notice of Change in Water Right Ownership* for the above referenced water rights. We have also included a plat map that was originally provided to the Department when the Ed Hansen estate was settled in the late 1990s. The parcel purchased by my client is the 30 acre parcel identified on the plat as parcel 3. Therefore the water rights have already been split out, and there will be no further splitting of Water Right No. 22-576A and 22-239B. We therefore request that the entirety of these water rights be changed in the name of the Boyd Charles Smith and Jill Johnson Smith Trust. We have enclosed the recorded Warranty Deed evidencing the transaction, along with the \$50.00 filing fee.

We should point out that the Warranty Deed specifically references these two water rights on the second page.

Should you have any questions or concerns, please do not hesitate to give me a call.

Best Regards,

for Robert L. Harris
