RE: Water Supply Bank Lease for 63-33517

Dear Lessor:

This letter is to update you on the status of your water right, 63-33517. This water right, under its original number 63-32445, was leased into the Water Supply Bank on March 30, 2005. A portion of your water right is considered leased into the bank, and should remain unused, until you release it from the bank. This portion totals 0.48 cfs, 135 AF and 30 acres.

We would appreciate confirmation of the exact 30 acres to remain leased to the Bank. To that end, I have enclosed a map of your place of use. Please draw an outline around the 30 acres that should remain leased to the Bank and return it to me at this office within 14 days.

Additionally, your water right will likely be rented this year. At the end of the irrigation season, we will process payments to lessors. To allow us to process your payment, we will need you to complete and return the enclosed form W-9 (Internal Revenue Service Request for Taxpayer Identification and Certification).

Please return this form and the lease map within fourteen days. If you have any questions, please contact me at (208) 287-4907.

Sincerely,

A handwritten signature in blue ink that reads "Monica Van Bussum".
