Re: Horizon Organic Dairy

Dear Mrs. Van Bussum:

Horizon Organic Dairy would like to rent 33.8 acres from the 36-2254A, 36-2284 and 36-8401. The 33.8 acres are owned by Bureau of Reclamation and have been leased by Horizon Organic Dairy for many years. The lease terms are only for one year periods. This is the reason the rental application is only for a one year.

Water rights 36-2254A, 36-2284 and 36-8401 are included in a pending transfer application with Horizon Organic Dairy.

Analysis of the rental with the ESPA Model indicated that no mitigation is required.

Sincerely,

Greg Sullivan, M.S., E.I.T.
