**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK;
ASSOCIATED RIGHT NOS. 36-16049, 36-16051, 36-16053 AND 36-16055**

Dear Applicant:

On July 18, 2012, the Idaho Department of Water Resources (Department) received your application to rent water from the Water Supply Bank (Bank) for irrigation during 2012. The Department is returning your application since it was not processed prior to the end of the proposed rental period.

Additionally, the ground proposed to be irrigated in your application is covered by Right Nos. 36-16049, 36-16051, 36-16053, and 36-16055. These rights are subject to Transfer 77952. Transfer 77952 proposes to move irrigation from the acres covered under your rental proposal to another location. Since Transfer 77952 has not been approved, irrigation of those acres under Right Nos. 36-16049, 36-16051, 36-16053, and 36-16055 is still authorized.

If you still have a need to rent water from the Bank, please submit a new application. Application forms and information about the Water Supply Bank are available from the Department's web site at: www.idwr.idaho.gov. Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Monica Van Bussum".
