Monica,

The Frisby's do not want to cause any conflict between BCID and the property owner they are leasing from. They will file the rental application after their protest situation is resolved. Please return the rental application to me and I'll hold it till later. Thanks Monica.

Hi Lori,

Well, I remembered to talk to you about the Snake River stuff but not about the Frisby Farms rental. Sorry about that!

I talked with Steve Lester over at Western and he in turn talked with John Westra. There is some concern about a potential conflict with approving a WSB rental for Frisby and the BCID protest of the Frisby water right applications 63-33512 and 63-33513. We all think this concern could be alleviated with getting BCID to provide written consent for the WSB rental. Otherwise, I think we have to deny the rental because of that potential conflict with a protest.

I'll be out of the office on Friday but you can email me or just call on Monday morning when I'll be in next. (I will be in on Saturday but I doubt you'll want to call me then.)

Monica
