Dear Mr. Sullivan:

U.S. Bank is aware of the proposed transfer of water rights 35-7973 and 35-7914 owned by Lance Funk. The transfer will allow those water rights to be used to water property in addition to the property they now water. U.S. Bank gives consent to the Idaho Department of Water Resources to process and approve the proposed transfer applications, on the condition that the Idaho Department of Water Resources acknowledges that U.S. Bank retains those water rights as secured property for its existing mortgage loan to Lance Funk and Lisa Funk.

Sincerely,

Kevin Neibaur
