RE: Scheduling Field Exam for Water Right Permit No. 63-31416

Dear Mr. Aubrey:

We are planning to **conduct water right field examinations** in the vicinity of the above-referenced permit **during the week of June 11, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal operating conditions during the examination. The permit authorizes the diversion of ground water for storage, fire protection storage, and fire protection.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by June 6, 2012, to conduct the exam during the week of June 11, 2012.** If there is a problem with scheduling or conducting the examination at this time, please let me know so we can reschedule or make other arrangements.

I appreciate your attention to this matter and I look forward to hearing from you.

Sincerely,

Rick Collingwood, P.E.
Water Resource Agent, Sr.
