RE: Ownership Change Water Right No. 98-4056, 98-4257, 98-7159, 98-7250 and 98-7406

Dear Interested Parties:

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership on April 27, 2009. After reviewing the request, it was determined that a copy of a conveyance document, such as personal representatives deed with the legal description of the property conveyed, was necessary to complete the request. Letters were sent on May 4, 2009 and March 21, 2012 requesting the information needed. No response was received.

We are returning the Notice and its attachments. If you have additional information needed to complete this change of ownership, return the Notice with the proper paperwork.

If you have any questions regarding this matter, please call me at (208) 287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
