RE: Notice of Change in Water Right Ownership No(s). 98-4056, 98-4257, 98-7250 and 98-7406

Dear Interested Party(s):

The Department of Water Resources discovered an unprocessed ownership change request we received from you on April 27, 2009. After reviewing the request and all information associated with the request, it was determined additional information is needed to complete this request. The Department sent a letter on May 4, 2009 asking for evidence of water right ownership, which is a warranty deed or other conveyance document that includes the legal description of the property. The death certificate and will submitted is not sufficient evidence to show conveyance of the property.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

You can mail the required information to the address above, attention Jean Hersley or fax it to: 208-287-6700, attn: Jean Hersley.

Thank you for your patience and cooperation. We have a many requests to process. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
Technical Records Specialist I
