RE: Filing Fee for Clement and Foster Land and Cattle Water Bank Rental.

Dear Nick:

Enclosed is a check in the amount of \$250.00 which is the filing fee for the above referenced water bank rental. I apologize for the confusion that we created with our initial check of \$79.80, and the follow up check of \$170.20. We understand that the \$79.80 check has been receipted, and is considered payment for the administrative fee associated with this lease and rental. The second check of \$170.20 is being sent back to my office, which we will then void. The enclosed \$250.00 check is the correct amount for the filing fee for the lease/rental. If my understanding is incorrect in any way, please let me know. We apologize for the confusion that we created with the multiple checks, but appreciate your patience in working through this issue.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
