Dear Mr. Powers,

Enclosed, please find the application for transfer that we discussed. This transfer application adds a point of diversion at the Swauger Ditch for water right 34-440B, all of the surface water rights will now list both the Swauger and the Sharp as points of diversion. There are NO changes to the ground water rights. In addition, this application combines the place of use for all surface and ground water rights into one large area.

In order to continue processing this application, I need the following;

1. A *signature from John L and Patrick Powers*. (both must sign)
 - a. Also one of the rights is in the John L Powers Trust.
 - i. I need a *copy of the Power of Attorney Documents for this Trust*, and the signature of the authorized individual.
2. *Question 5a* of the application needs answered.
3. *Part 3, C* also needs answered.
 - a. Water right 34-7239A is a supplemental water right.
4. The *application fee of \$820.00*.

Once you collect the information, and complete the application please return for processing. If you have any questions please let me know.

Thank you,
