Subject: Transfer 76042

Shelley,

Transfer 76041 was approved on August 2, 2010 allowing our client to add an additional well to water right 63-3597B. You graciously gave us an extension to complete the transfer until August 2, 2012. The proposed well was completed and hooked to power July 31, 2012, prior to the deadline. Thank you very much for your consideration.
