RE: Change in Ownership Water Right No. 73-12121 & 73-12122

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **File Motion to set aside Partial Decree:** Because the water rights have been decreed by the SRBA district court and thus the ownership determination is binding on the Department. Please see attached Memorandum from Garrick Baxter, Deputy Attorney General.

During our review I also found an overpayment of \$100.00, the department has initiated a refund for \$100.00 for receipt number E037641. A check will arrive from the state office within a couple of weeks. The department will hold your ownership change in our records along with the \$125.00 filing fee under receipt number E037345, unless you request we return your ownership change.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions at 208-525-7161 or the state office at 208-287-4800.

Sincerely,

Jonie Barg
