Dear Renter:

The Department of Water Resources acknowledges receipt of your applications to rent water from the Water Supply Bank for the 2012 irrigation season. I have enclosed Water Supply Bank Rental Agreements for your review and signature. Upon signature and return of the original agreement, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

The total rental fee for the seven (7) rental agreements of \$ 95,225.20 was calculated based on the current rental rate of \$14.00 per acre-foot times a diversion volume of a total of 7212.2 acre-feet. This fee amount includes the reduction to only the 10% administrative fee for the four (4) rights that you are both the lessor and renter under these agreements.

Two (2) payments equaling \$ 94,928.28 have been received by the Department prior to the execution of this agreement. \$ 500.00 was applied to remaining lease fees for this project. The balance of \$ 94,428.28 has been applied to the rental fees for the enclosed agreements.

Please send the signed rental agreement, to my attention within 14 days so I can complete the processing.

If you have any questions, please contact me at (208) 287-4949.

Sincerely,

for Nick Van Dyke
Sr. Water Resource Agent
